

Section Day Care Policy	Page 1 of 1
	Date February 18, 2010

Statement	<p>A Day Care can be identified as an alternate address for purposes of pick up or drop off for those students who are eligible for transportation.</p> <p>The Day Care must be licensed under the Day Nurseries Act to qualify and must be within the school boundary.</p>
Procedures	<p>Students must be eligible for transportation from their home address or from an approved Day Care within their school boundary.</p> <p>The student must be using the Day Care on a consistent basis either for before or after school for each day that they attend school. There is no transportation provided to the Day Care for those days that the student does not attend school.</p> <p>The parent will provide the address of the Day Care as the alternate address for transportation on the Transportation Application.</p> <p>Temporary or short term requirements for Day Care will not be accommodated.</p> <p>Students attending a Day Care that is outside the student's school boundary will not be eligible for transportation.</p>
