

Section Request for Transportation	Page 1 of 2
	Date : August 18, 2009 November 29, 2013

Statement	Any new request, cancellation, or change for school transportation services, must be made, by the parents or guardians, using Transportation Form (TR01).
Procedures	<p>Transportation Form (TR01) (Appendix A) must be submitted by the parents or guardians to the school.</p> <p>The school principal/secretary must:</p> <ol style="list-style-type: none"> 1. Ask the parents or guardians to fill out the form; 2. Check the student information provided, including providing the student ID number and any epi-pen information; 3. JK/SK students must include designate to receive the child at the bus stop and Emergency Contact Information; 4. Verify the eligibility of the request based on the criteria established in the transportation policy and procedures or by accessing the GeoQuery routing software site; 5. Send the form to WESTS; 6. Record the student's information in the school database and ensure that it is kept up-to-date; 7. Access GeoQuery after 3 working days to determine the status of the request and follow up with transportation if the information is not updated; 8. Provide the parents or guardians with a fridge magnet with their ID and Pin number for GeoQuery; 9. Provide parents or guardians with instruction sheet on how to use GeoQuery to get student transportation information. <p>WESTS must:</p> <ol style="list-style-type: none"> 1. Evaluate the request based on the criteria established in the transportation policy and procedures; 2. Plan and organize transportation for the student if he/she is eligible; 3. Assign a bus stop to include the start date; 4. Advise schools to access GeoQuery routing software to
